## Traffic

Throughout the duration of the up-coming construction (from April 17 to June 30), and along the entire Main Street corridor, we will maintain a travel lane in each direction during peak periods and we will be flagging traffic during off-peak periods as necessary. Motorists are to expect traffic delays through the construction zone.

To facilitate the efficient paving of the top lift of asphalt, we will completely close the section of Main Street from Clegg Street to Riverdale Avenue for one Saturday in June (likely June 10<sup>th</sup> or June 24<sup>th</sup>). Additional information to follow.

The cycle tracks south of Clegg will remain closed until they are completed later this spring.

The Main Street Construction Newsletter will be on an as required basis in 2017. Additional information on the Saturday road closure for the paving and the Main Street Grand Opening will be shared with you towards the end of May.
