

Main Street Renewal

Working Group – Meeting Schedule (September to January 2013)

Draft: November 15, 2013

#	Topic	Meeting Objective	Date and Time	Location
13	Project Update	To update the Working Group on the study progress since the last meeting on June 6. Updates will be provided in regards to the Environmental Assessment process, Transportation Committee and Council decision, Functional Design circulation, Urban Design Review Panel, and work with individual stakeholders along the street. The discussion about options for the intersection of Riverdale (T-intersection or roundabout) will also re-commence.	Thursday, September 19 5:30PM-7:30PM	Normandin Room, Saint Paul University Laframboise Hall, 249 Main St.
14	Streetscaping Bus Tour	To complete an early evening bus tour of other recently reconstructed Ottawa mainstreets including: Wellington Street West, Somerset Street West, Preston Street, and Bank Street.	Wednesday, October 2 6:50PM-9:30PM	Meet at Saint Paul University parking lot – southeast corner of Main St. and Hazel St.
15	Public Art Strategy and Streetscaping Strategy	To discuss a preliminary/draft public art strategy, led by the City's public art staff. Also to review a recommended streetscaping strategy, including a family of elements (benches, bike racks, sidewalk surfaces, etc. that work with the already-selected street lights) and street tree planting.	Thursday, October 17 5:30PM-7:30PM	Normandin Room, Saint Paul University Laframboise Hall, 249 Main St.
16	Streetscaping Plan and Details	To review a draft streetscaping plan and discuss site specific improvements such as around the Brantwood Place Gates, the Archville town hall, and the Riverdale intersection.	Updated: Wednesday, November 20 5:30PM-7:30PM	Normandin Room, Saint Paul University Laframboise Hall, 249 Main St.
17	Lees Avenue Update	To discuss the Lees Avenue portion of the renewal project with landowners and residents, with a focus on site specific issues. A separate notice will be provided to the landowners.	Updated: Wednesday, December 4 5:30PM-7:30PM	Normandin Room, Saint Paul University Laframboise Hall, 249 Main St.
18	Construction Phasing and Traffic Management	To review a preliminary construction phasing/staging plan and opportunities to manage traffic during construction (if details are complete).	Updated: Thursday, January 23 5:30PM-7:30PM	Normandin Room, Saint Paul University Laframboise Hall, 249 Main St.
