

# The Rideau River Nature Trail in Old Ottawa East: Some Initial Ideas

## FIVE SEGMENTS

① **OLD OTTAWA**

Clean-up and improve access under bridge (OCTranspo), plus lighting

② **SPRINGHURST**

Clean up garbage, remove obstacles

Landscape with desirable native species

Trees on west side of path

Rehabilitate to reduce erosion and create better sitting area by water

③ **OBLATES**

Improve access between Oblate property and park

Canoe/kayak dock

Swimming area?

Protected turtle egg-laying area

④ **BRANTWOOD PK**

Planting and maintenance to diversify/expand "grove" and keep understorey clear

Stabilize shore, maintain open vistas with low-profile native shrubs, grass, sedges, etc.

⑤ **RIDEAU GARDENS**

Manage muddiness

Tree-planting to maintain canopy

Lighting and pigeon netting for underpass
