

Oblate Lands: The Regional Group's Proposed Plan Public Meeting

7:00 p.m., Tuesday, September, 16, 2014

Amphitheatre, Saint Paul University

(Access from SPU's northern parking lot. The Amphitheatre is adjacent to the area where residents vote.)

Representatives of The Regional Group of Companies Inc., an Ottawa development company which bought the Oblates lands in June, will present its proposed plan for the development of the 12 hectare site between Main Street and the Rideau River.

Old Ottawa East Community Association Board and Sustainable Living Ottawa East members have met with The Regional Group a number of times in preparation for this meeting.

The context for the proposal is the approved Old Ottawa East community design plan (CDP) and the related secondary plan (SP) which were prepared over a four-year period and extensively consulted on within the community. City Council approved the CDP/SP in 2011.
