

# SLOE Committee Report – OOECA – May 2023

## Item #1 – Earth Day Event

SLOE participated in an Earth Day celebration at Lady Evelyn Alternative School on April 22. It was a great time, with lots of people from the school community and the wider OOE community stopping by. Money was raised for the LEA School Council and Bottleworks, an organization supporting homeless and at-risk youth. Thanks to volunteers Judith Kennedy, Peter Croal, Mitch Vlad, Heather Jarrett, and John Jarrett for looking after the SLOE/CAFES table and to volunteer Catherine Gucciardi Garcez for her awesome yoga classes!

## Item #2 – Climate Resiliency Community Dialogue

SLOE and CAFES (Community Associations for Environmental Sustainability) are co-hosting a Climate Resiliency Community Dialogue, one of several being conducted across the city to inform residents about the City's climate resiliency plans and to get feedback from communities on climate impacts for the development of the City's Climate Resiliency Strategy. All residents (OOE and beyond) are invited to attend, with registration below and the event poster at the end of this report.

**When:** Friday May 12, 7 – 9 pm

**Where:** ye Olde Town Hall, 61 Main St

**To register via Eventbrite:** <https://bit.ly/41mbth0>

**To find out more about the event:** <https://cafesottawa.ca> or contact Jayson at [sloe@ottawaeast.ca](mailto:sloe@ottawaeast.ca)

## Item #3 – Rideau River Cleanup

Every year about this time, a few plucky residents get in their canoes and collect trash that has accumulated in the river. This year's party will be held on Saturday, May 27. Please contact Carol Alette, via [sloe@ottawaeast.ca](mailto:sloe@ottawaeast.ca), to participate.

# Climate Resiliency Community Dialogue

*How prepared is your community  
for extreme weather?*

*What are the concerns  
in your neighbourhood?*

REGISTER:
