

The Corners on Main and Greystone Village report

October 2023 (Peter Tobin)

Grande Allee

- Considerable progress has been made on the Grand Allee work; the concrete circular pads will have benches, areas along the south sidewalk will have space and infrastructure to accommodate vendors' 'tents',

Convent development

- Adriana Beaman has continued arguing with City officials on the appeal to the Land Tribunal re the convent redevelopment. Cooperation with the City on this has left much to be desired.

Convent site tree slated for removal - Seeking clarification

- With the cooperation of Jayson and SLOE and the Councillor's office, we are seeking clarification as to why the tree on the Oblats side of the convent site has been salted for removal.

J:Fuse

- Signage for the J:Fuse restaurant was installed a few weeks ago. An order for a special range hood took 7 months to arrive according to an on-site workman.
